

Failure to Honor Declaration

After a declaration to start has been made, no horse shall be drawn without permission of the Judges. A fine or suspension may be imposed for drawing a horse without permission, however, the Judges must grant a hearing before a penalty is imposed upon any party.

If you were unable to conduct a hearing, or if a starting fee is due, please complete this form and send it to: The United States Trotting Association, 6130 S. Sunbury Rd., Westerville, OH 43081-9309. The USTA will complete the investigation.
